SOUL FRIENDS.

They had been mutually attracted at once. At least, so Sada fondly believed. It was not hard for Sada to believe a thing which she wanted it to be. 'He isn't at all my ideal man physically...'

HISTORY OF WESTBROOK.

CHAPTER II. The First Settlements.

It is probable that there were settlers within our present town limits who came with the intention of remaining, but were frightened away by the Indians...

which had previously been cultivated by the Indians.

It was in 1658, the year following that in which Francis Small acquired title to his Ammonoong lands, that the name of Falmouth was first applied to the ancient township by joint compact between the inhabitants and commissioners appointed by the General Court of Massachusetts.

Tom's first expression of relief was followed by a burst of merriment. What if Sada did speak in this way now? Of course she would be betrothed soon to the man whose soul had attracted her...

Small was an ancestor of the well-known ancestor of the Argus, 'L. W. S.' who has lately published the little that can be learned of his ancestor's somewhat eventful life.

George Manjoy, who received the deed of the 'mille square,' was the same individual who gave the name to the present name of Westbrook.
